Center for Premier Dentistry Change and Evolution...

Center for Premier Dentistry has recently been undergoing some changes. Dr. Scott Dickinson has left the practice and will be relocating near his hometown of Syracuse, New York. Dr. Jason Swartz would like to assure all patients that we will continue to provide the same quality care that our patients expect. Our hope is that this transition will be as seamless as possible and that we will continue to exceed our patient's expectations.

Another important change will be the acceptance of many of the major dental insurances. We are pleased to announce that Dr. Jason Swartz will now be a provider for the following dental insurances:

- Cigna
- Delta Dental
- Aetna, including Aetna Discount Plan
- MetLife

If you presently have dental coverage with any of these insurance carriers, we will now be a provider for your insurance. With these new changes, you may see a decrease in your out-of-pocket expenses making your dental visits more affordable. If you have outstanding dental treatment, please contact our office so we may provide you with an updated estimate that will reflect these changes.

Dr. Swartz would like to thank all of our patients for their loyalty and patronage. Change is an inevitable and natural process. We hope these will be positive changes for Center for Premier Dentistry and our patients. We are always continuing to strive toward excellence and we welcome your feedback and suggestions.

As always, if you have any questions or concerns, please feel free to contact us at 941-924-7571 and ask to speak with our Office Manager, Karen Hoeft.
